

The Klub Kloset™ Installation Instructions

1. Locate Stud.

2. Place Retainer Strap Rings through tab, with straps remaining in front.

3. Using included mounting screws, attach to single stud on wall, with Retainer Strap tightened against the wall for security.

4. Place golf bag on top shelf of Klub Kloset, and shoes on lower portion.

5. Secure adjustable velcro Retaining Strap around bag and tighten strap for security.

6. Enjoy your newfound storage space!
